Mayor Lovero,

On behalf of the members of the Illinois Municipal Police Association - Berwyn Local #1 we are proud to offer our full endorsement for your re-election as Mayor of the City of Berwyn as well as the candidates of Berwyn Strong. Your steadfast support for law enforcement and commitment to public safety have made a significant difference in our community, and we are grateful for your leadership.

Throughout your tenure, you have consistently demonstrated an unwavering dedication to the men and women who serve our city's residents. Police departments nationwide are experiencing hurdles in hiring and retaining quality candidates to maintain minimum staffing levels, though under your leadership and planning we are not only fully staffed, but prepared in advance to fill voids caused by retirements. Your efforts to ensure that our members are properly equipped, supported, and recognized have directly contributed to the safety and well-being of both our membership and the citizens we protect.

In times when law enforcement has faced immense challenges and scrutiny, you have stood firm in advocating for the men and women who put their lives on the line every day. Your approach has been one of balance—ensuring that our community's needs are met while supporting policies that promote transparency, trust, and accountability.

Your support for strong law enforcement policies, combined with your understanding of the complex issues facing our officers, makes you the continued clear choice for the future of our city. Your proven leadership fosters an environment where both our officers and our community can thrive. The members of IMPA are proud to stand with you, and we are confident that your continued leadership will keep Berwyn on a path of safety and prosperity.

We are excited to continue working alongside you in the years to come, and we look forward to the positive change your re-election and the election of all Berwyn Strong candidates will bring. Once again, we wholeheartedly endorse your candidacy and encourage our members and the citizens of Berwyn to support you in the upcoming election.
